

Manish Mandar

UI/UX Graphic Designer & Developer

Website: manishmandar.com.np

EXPERIENCE

Freelance Web Designer, Developer (2019 – 2022)

Self-taught in UI/UX, video editing, and Photoshop, designing websites and marketing materials, including flyers, for e-commerce and marketing.

PERSONAL PROJECTS

Content Creator – Personal YouTube Channel (2019 - 2022)

Designed engaging thumbnails and channel art, utilizing color theory and typography to enhance viewer engagement and brand consistency.

Visit Nepal 2020 – Web Application (2020)

Led UI/UX design for Visit Nepal 2020 web app, focusing on user-friendly navigation, aesthetic consistency, and responsive layouts.

BigDeal – Web Application (2023)

Designed intuitive UI/UX for BigDeal web app, creating wireframes and prototypes to improve user experience and visual hierarchy.

Notflix – Web Application (2024)

Designed UI/UX design for Notflix, emphasizing seamless navigation, responsive layouts, and user-centered design for an engaging streaming experience.

Chat To – Web Application (2024)

Developed the full-stack Chat To app using React, integrating intuitive UI/UX with dynamic backend features for seamless, responsive user experiences.
